THE BAMBOO ORACLE Confucian Wisdom for Every Day, a kit of book and game offer readers fun and wisdoms based on the teachings of Confucius that offer guidance on how to lead a happy and healthy life, with my illustrations of bamboo paintings, published 1999 by Connections Book Publishing in USA and UK.

THE CHINESE ART OF WINNING Based on the teachings of Sun Zi's and his 36 strategies for victory, this book presents its own 108 stratagems for personal success in the modern era, with my illustrations of brush paintings, published 2002 by Connections Book Publishing in USA and UK.

TAO TE KING The Book of Eternal Wisdom
Tao has come to be one of the most mysterious and spiritually charged of all the Chinese characters. Lao Zi's masterpiece Tao Te King, first published over 2000 years ago, is a great example of this. The eternal fascination surrounding this ancient work lies in its profound wisdom, and my interpretation of the book lies in my understanding of both Chinese and Western cultures, which has given a new life and has made it more accessible, with my illustrations of Tao paintings, published 2003 by Connections Book Publishing in USA and UK.

I GING The Book of Answers, Oracle
This book is commonly known as the world's oldest book, it is even older than the Bible. My new translation and interpretation of this masterpiece, together with my Chinese brush paintings, offers readers the chance to enter into this ancient oracle and from it extract guidance for their everyday lives, with my illustrations of Chinese brush paintings, published 2005 by Connections Book Publishing in USA and UK.

BODY FENG SHUI How to recognize the right partner at first sight using the same principles of Feng Shui and the five elements theory, known in ancient China as Ming Xiang Xue, with illustrations, published 1999 by Inner Traditions in USA.

BEAUTY FENG SHUI A Guidance for a Healthy Life, how to strengthen health and beauty and stay slim through simple daily exercises, meditation, visualization and imagination, based on the traditional Chinese theory of the five elements, with illustrations, published 2001 by Inner Traditions in USA.
